Camp is supported by a volunteer staff of 18 trained adults and young people who each give many hours of creative, loving and dedicated service. It's so rewarding that many staff return year after year.

We mentor specific skills and teach by intentionally living collaboratively and joyfully all week. Colette Hoff, professional family life coach and community developer, offers life lessons for staff through leader development.

Our model values having pairs of junior staff who befriend each camper and guide each “kid clan.” Counselors take their responsibilities to heart and help campers feel included and cared for. They support skits, play games and sing camp songs. They are friendly role models.

Cost includes food, lodging, materials. One child $650 | Two children $1050

A week-long, overnight camping experience designed to help children have fun learning about themselves as a friend, naturally. Your child will leave with a greater sense of confidence and of belonging to the world. Our program builds skills that promote self-esteem, collaboration and social creativity for the future health of your child & society:

- Self-responsibility, self-care, self-reflection, self-awareness and self-expression
- Enjoyment of work and play
- Sharing and active listening
- Empathy and practical care of others
- Respect for elders and peers
- Collaboration and cooperation

“Building forts & campfires with friends all week long is so much FUN!”

Sahale’s gift is a remote and beautiful river valley where we breathe fresh air, swim in clean waters, explore meadows and forested hills. It is home to diverse flora and fauna awaiting discovery. Each day, camp life is filled with natural wonders.

“Sahale is the best! I can’t wait to meet up with my friends from camp.”

We build our tent village circled by trees and near the fire circle where we gather each evening for stories, singing, skits, stargazing and more. Each day repeats a gentle rhythm and includes comforting routines.

Daytime activities include: Group circles, archery, nature activities, cooking, river play, gardening, quiet time, journaling, drawing, drama, music, story time, free time, group games and crafts such as clay, weaving, beads, drawing and more.

“I love learning new things at camp and the food is great!”

On our last full day, we celebrate with a big feast and a special camp fire program as we prepare to join our families the next day.
