How to Live in Heaven, HERE!

Lab feels like heaven – right here and right now. Heaven is not a location but a state of mind, an attitude of AWE and WONDER. We can create heaven inside ourselves through spiritual and psychological development, and between and among individuals through relationships, collaborative circles, and the culture we create together.

FOR SEVEN DAYS YOU CAN:

• Practice radical openness in a safe context
• Connect deeply with others who are also growing themselves
• Dissolve barriers to love
• Enjoy creative expression of all kinds
• Live in the natural world, explore freedom and energy, and live in the present

$750 | The Lab fee includes accommodations and learning materials.
Special rates available for groups of three or more, seniors, students, and interns.
Please consider an additional tax-deductible donation to the scholarship fund. Thank you.
